Open the table

A) Lift the handle to release. Hold the handle in position while the table top is being lowered.

B) Lower the table top to the game position. Do not allow it to fall as this might damage your table or cause injury.

C) Be certain the table is locked in place by lifting the table top from each side of the net.

Close the table

A) Pull back the handle under the table top to release. Hold the handle in position while the table top is being lifted.

B) Lift the table top up to its storage position.

C) For your safety, check that the table top is properly locked.

Test marks for the assembly

Please repeat these assembly steps with the second half top.

Go back to step “**c**” and assemble the second table top.

Please check all the working parts of the table in accordance with the instructions for use (p 3) after you have completed assembly.
Some of our tables have a protective coating on the playing surface.
If applicable please take care when removing this coating.
